CONTENTS

- Electroplating Method of Stress Analysis.Hajimu Ōkubo 1
- On the Stochastic Types of Motion in a System of Coupled
Harmonic Oscillators.Keiko Kobayashi and Éi-Iti Takizawa 144
- Spin Wave Spectrum and Related Problems for Ferromagnetic
3 d-Group Transition Metals and Alloys.Hideji Yamada 181

Research Reports

- Time Dependent Variation of the Stress Distribution in a
Semi-Infinite Plate Compressed with an Elastic Flat Punch.
..... Yoshio Ohashi and Tadashi Nishitani 258
- A Note about the Effect of Exit Side Walls on Cascade
Performances.....
.....Shintaro Otsuka, Shin-ichi Ishiyama and Yasutaka Mizobe 278
- A Study on the Progressive Signal System in the Urban Area.
..... Masamitsu Mōri and Yoshiaki Honda 285
- Sequential Vector Space Description of Discrete Control
System.....Kahei Nakamura 301
- Fundamental Discussion of Heuristic Function and its Intro-
duction into Learning Control.....Moriya Oda 327
- An Optimal Feed Back Composition for the Second Order
System with the Performance Index Constrained by the
Dynamic Sensitivity.....
.....Ichiro Sugiura, Toshiharu Goo and Takeo Nakajima 345
